

REQUEST FOR SILENT AUCTION DONATIONS

Share Your Talents & Help Those In Need In Our Community

An Evening of Hope

The Community Center of Hope is a non-profit organization that runs the second largest food pantry in Marathon County, provides free medical consultation and referral services for needy people, has activities for active older adults and provides transportation services for people to get to medical care.

Showcase Your Talents & Donate An Item for Silent Auction

In order to keep our programming going we raise money through grants, donations and fund raising. **Every dollar we make goes right back to providing programming for our community.**

An Evening of Hope is a fund raising event being held that includes a Silent Auction, food from 5 different professional chefs, and entertainment by Bill Weinmann.

The food will be a variety of main courses, nibble food, specialty dishes and desserts. It will be the type of food that you might have at a cocktail party. Those attending will be able to pick out the food they are interested in, ask each chef questions and eat as much as they would like to eat. There is no charge for the food. It is included in the price of the ticket. \$40/person in advance and \$50 at the door.

By donating an item starting in the \$50 range you will not only showcase your talents, but help the community in the process.

WHAT?

An Evening of Hope Fundraising Event
Request for Silent Auction Donations
